POP Conformity Declaration**Declaration of Conformity to POP Regulation (EU) 2019/1021**

Dear Customers and Business Partners,

The Regulation (EU) 2019/1021 on Persistent Organic Pollutants (POPs) establishes binding prohibition and restriction measures for certain persistent organic pollutants.

According to the information currently available to us, we hereby confirm to the best of our knowledge that the prohibited substances listed in the above-mentioned directive, as published in the current POP candidate list, are not used in products manufactured by us (e.g. CLAMPBOOSTER).
